### TRS FISHING INDIANS take 3rd place at Gov Cup see page 5

**The Stone Harbor Vet's outing was postponed due to unfavorable conditions from wildfire smoke. The new date for this event will be September 9th. We will still have the event planned for July 15th . Please come out and lend a hand for our veterans who fought for our nation. God Bless Our Vets!**

### **Hello fellow NJBBA members,**

I wanted to introduce myself to you. My name is Tom Hollywood (#5408) and I'm your new Membership Secretary. I took over the position after our annual Membership Meeting in February. Ken had been the membership secretary for 14 years and did an exemplary job. I hope that I can live up to Ken's example. A little about me: I live in Old Bridge, NJ with my wife of 35+ years. We have an adult daughter who loves to go fishing with us as often as she can. Growing up I fished almost exclusively freshwater, except for those times when I visited my grandfather in Florida. He would take my brother and I to Pompano Beach to fish. As I got older, I hunted and fished in the Tristate area. I took up surf fishing a few years ago and my wife and I absolutely love it. Since joining the NJBBA we have gravitated towards ISBP as our main fishing spot. I am looking forward to meeting all our members while fishing or volunteering at one of our outstanding events.

# VINELAND VETERANS HOME

Last year because of the problems with Covid, we did not have the Vet's outings. Therefore, the board decided to buy some things for the vets and drop them off. Ron Patten, his daughter Nancy, and Ron's two grandchildren bought items off the Wish List published on the Vineland Veterans Home website. These items will be available for the residents in the Red, White, and Bluetique Donation Store, where they are able to shop free of charge. Ron and Nancy dropped the donations off on March 17. Pictured below are the donations and a picture of Ron and RJ Morrison, the Volunteer Services Assistant that they coordinated with. A big Thanks to Ron, Nancy and his grandchildren for all their good work!

# 69<sup>th</sup> Annual Banquet & Awards Dinner

By Valerie Dzindzio #3937

The Annual Banquet & Awards Dinner was held at the New Egypt Elks Lodge #2457 on March 18, 2023 celebrating the 69<sup>th</sup> Anniversary of the New Jersey Beach Buggy Association. It was the first banquet held since the Covid 19 shutdown in 2020. The evening was a success filled with good food, good music to dance and listen to, awards/prizes and mostly companionship among members. We awarded our scholarship winners Megan Woods and Alexandra McGinley \$750 each. Fish Pool Winners in attendance were presented with their prizes, Star Jacket recipients were announced – 1 Star to Francis “Paco” Wagner and Ron Woods Jr.; 6 Stars to Ken Hollins and Bill Mackintosh. Thank you for your dedication to our organization. Many door prizes, Lottery tickets, 50/50 and auction items were on won! Being able to spend time together in celebration again was the biggest blessing of the night.

My sincere THANK YOU to all of the members who met us at the Freeman House to make up the auction baskets and those who jumped into action when we had very short window to set up the banquet.

We are looking forward to celebrating our 70<sup>th</sup> Annual Banquet & Awards Dinner next year and hope to make this a very memorable one with all of you in attendance. Please follow our website, NJBBA.org for details once determined. Enjoy some pictures from the night!

# TRS FISHING INDIANS

Our High School Fishing Team competed in two tournaments this year, the American Anglers and the New Jersey Governors Cup Tournaments. The American Anglers was held at Long Beach Island where we only caught one Fluke and it was too short to score. The Gov Cup held at IBSP was a different story. The team caught 20 bluefish and Raymond Jones took 3<sup>rd</sup> place for his 30 inch Bluefish. The team took 3<sup>rd</sup> place overall in the team standings. We are looking forward to fishing a tournament in the fall.

## GO DIGITAL OR STAY WITH THE PRINTED NEWSLETTER

It was brought up at the annual meeting to go digital with the newsletter because of rising costs for printing and mailing. We started to have a vote but because only a small part of the membership were present, it wouldn't be fair. So starting the month of July, Tom Hollywood our membership secretary is going to put a questionnaire in with the renewals. This will run for a full year to see what the majority of the membership would like, keep it in print or go digital. The digital copy is a PDF file and in color. Its always available on the website, our face-book page and also sent out by email blast.

**Chris Farrell**, my dad, NJBBA #30 passed away on December 11, 2022. Chris started fishing in Seaside Park in the early 1970's with his first beach buggy, a 1966 Ford Bronco. In 1977, he bought his first pickup with a camper, a 1969 Ford with a Phoenix camper. He not only loved surf fishing, he also fabricated many cooler racks, back porches, custom sand spikes, and other accessories over the years. He took meticulous care of his equipment, servicing and lubricating his reels each year and replacing worn internal parts when needed, and using his 1969 Ford into the late 90's. He used many of the same rods and reels he started out with his entire time fishing. He also built most of the surf rods that he used from blanks, and often made repairs for others, replacing a guide, reel seat, or tip. He tied most of his own rigs, replaced worn hooks on lures, and took care of everything he owned.

Dad was always willing to help someone in need. One legendary story happened in the early 80's at the NJBBA Great Fall Classic in Wildwood. Matt D'Agostino fell asleep in his camper when the tide came in. The water was up to the hood of his truck, and the truck would not start. With a very heavy Phoenix camper on his own truck, Chris rigged a towline to Matt's truck (getting soaking wet in the process), then another towline to a second rig. Working together, the two trucks were able to break Matt's truck free from the suction where his tires had sunken into the sand underwater. After pulling him out of the surf, he helped take apart the carburetor on Matt's truck and got it running again for him on the spot.

Many years ago, he met a random guy fishing in the evening named Ben. Ben had parked at A-8, walked over and had a large plug bag full of brand new nice lures. He was just starting out surf fishing and was asking for advice and information. Later that evening while walking back up the beach, Ben was devastated. Somehow, he had lost his plug bag, possibly by setting it down when a large wave came in. Chris told him, "I'll bet it will wash back up at low tide". Disappointed, Ben left. At 2 am the following morning, with nobody around at dead low tide, Chris got up and drove his camper on the "low beach" from A-7 south. Sure enough, he found the bag. He went to the gatehouse, office, told the park ranger, and even made a handwritten note on a piece of cardboard that said "Ben, I found it" with his phone number and stapled it to the sign at A-8. He made every possible effort to return it, that is just who he was.

You could always tell when he was around by his hearty and loud laughter. He always loved Island Beach, and part of him will always be there.

### **Stephen Farrell #208**

*Editor's note: Chris was very active with NJBBA and served on the board and Courtesy patrol for many years. Chris was a very good friend and he will surely, be missed!*

### IBSP Beach Cleanup

The weather was a bit chilly for the 2023 NJBBA Oceanside beach clean-up at IBSP. We had 15 members and one young man show up dressed for the weather with tools in hand. We spread out to clean the whole beach in 3 hours time. If one ever needs any plastic items, go to the beach because that's where you'll find them. Plastic straws, bottle caps, shotgun wads, forks, assorted pieces of different shapes, sizes, and color were picked up. Balloons, bags, beach toys, sunglass's, pvc pipe, bottles, cans, one diaper, cigar tips, and plenty of beach whistles were removed from the sand and a weathered penny also. A few larger items like a grill grate, a couple of shovels, and some wood chunks. All in all, if you didn't have fun at this event today, it's because you weren't there!

Thank you everyone!

This pool is separate from the free Surf Fishing Contest but your entries in that contest determine the winners amongst the individuals who join this pool. The largest fish in each category among members in this pool wins the total amount collected for that species. In the event no fish is caught in a species, all entries will be put in a hat and a winner will be drawn. Awards will be made at the Annual Banquet. ***This entry must be postmarked before the date any fish are caught that is entered in this pool.***
