NJBBA President's Message

Season's Greetings - As 2022 comes to a close, we reflect upon the NJBBA past year's events. We had involvement in beach fencing projects at Island Beach State Park, NJBBA helped address the access issues in Brick, we judged The 2022 Governors Cup as NJBBA member Ken Hollins acted as Head Judge, we provided members the opportunity to fish in the NJBBA President's Cup, we provided donations to the Southern New Jersey Veterans Home, we held the NJBBA Youth Fishing Tournament, we provided the National Hunting & Fishing Day experience for challenged children, we provided activities at IBSP Ocean Fun Day, we also provided the opportunity to win two \$750 scholarships, we repaired beach wheelchairs at IBSP with parts funded by NJ Federation of Sportsman Clubs. We received a sizable donation from the Holt Charities Organization which will be used for fencing supplies. Other activities were successfully accomplished by our members involvement.

In 2023 we hope to see more members getting involved within our association. Up coming events in January include the 2023 NJBBA Fishing Flea market at Toms River South HS. (This event is co-hosted by the TRSHS Fishing Club). Our annual meeting is in February at the New Egypt Elks, so come out and run for the NJBBA Board of Directors or an Officer position. The NJBBA Banquet will be held in March at the New Egypt Elks. Always remember the strength of any association grows stronger with increased participation of its members. Please get involved - you will love it. Until we meet again - tight lines and continued uncontested access to "OUR BEACHES".

Yours in NJBBA,
Gary Conk Sr.

Come have a good time with family & friends.

We Had 5 members of the High School Fishing Team come out to fish the American Angler Tournament which took place on

Sunday the 16TH of October at

Long beach Island. We weren't able to enter any fish but had 2 - 17 inch Fluke that didn't score.

The Park installed 2 new no fire signs with fines up to \$1500.00

New HRFA member Gary Conk (left), who happens to be the President of the NJ Beach Buggy Association, assists "Dominic" with getting a cownose ray back in the water. Schools of these speedsters have been abundant in the NJ surf recently and unless you are using a heavy rod & reel combo one will quickly peel all the line off of your spool. Thus they have become a bit of a drag, particularly for fluke fisherman who are only interested in their intended quarry.

27th Annual Children`s Surf Fishing Tournament

On September 17th, the NJBBA held the Children's Surf Fishing Tournament. Thank you to all who donated to this event both past and present. The weather was perfect, sunny and warm, 75 degrees with a light northeast breeze. We had 59 children sign up, not too bad considering the event had been cancelled for 2 years.

As in the past, the kids ranging in age from 3 to 16 years in age including their parents learned basic knot tying and lure identification. Also on hand were the NJ Fish & Wildlife and taught about the various fish that may be caught from the beach that day. Jenkinsons Aquarium with their Touch Tank provided education on different creatures that live in the ocean. The Seaside Park Volunteer Fire Company #1 brought their Beach Rescue Truck equipped with the Inflatable Ocean Rescue Boat. The two firemen, Tim and Harry taught everyone about the dangers of Rip Currents and handed out literature on the subject.

A lot of fish were caught this year, with the biggest being a Fluke that measured 17 ½ inches. Sea Robins, a Skate or two and Bluefish were on the menu for this year's event. Undersized fish were released with the help from our Judges who were patrolling the beach. Eleven fish were entered, 13 trophies along with gift cards and combo's of 8 and 6 feet long were given to the winners. The angler that caught the smallest fish was rewarded with a \$50.00 gift card from Bass Pro Shops along with a combo and a trophy. Please visit our website at NJBBA.ORG to see more pictures.

Thank You, Ken Hollins....Event Director/Chairman

49th National Hunting and Fishing Day

By, Valerie Dzindzio #3937, NH&FD Chairperson

After a two year absence due to COVID, we held our National Hunting and Fishing Day event on September 24, 2022 at Island Beach State Park. We were able to move the venue to OBA-2 (swimming area 2) this year, which provided great parking, bathrooms and access to the beach for the special needs children from Jackson Day School. The day started out chilly with our volunteers wearing layers. As the day progressed layers started coming off and we had beautiful weather. Unfortunately, I believe the cold morning kept some families away. All in all we had 11 children and 13 adults to celebrate this national day of fishing together. The tide was dropping, the sun was shining, and the children were fishing using bait (provided by member and friend, Rick DiTizio) with the help of our volunteers. One boy, Henry (age 10) caught a 15" fluke and everyone was excited for him!

We provided everyone a lunch of hot dogs, baked beans, sauerkraut, potato salad, assorted chips and pastries, yum! They also received t-shirts from the Children's Surf Fishing Tournament held the weekend before, as well as grab bags. All in all it was a wonderful and rewarding day spent on the beach! I would like to thank the volunteers who helped bring supplies to the beach, set up the rods, tables, food and assist the children with the fishing. Special Thanks to my committee members: Mark Dzindzio, Ken and Diane Hollins, Carole Harris and Jennifer Cole. Without your help and support, I couldn't have pulled everything off!

Please join us next year on September 23, 2023 for our **50th National Hunting and Fishing Day!** It is my hope our NJBBA members will bring their special needs children to this event next year. Let's try to make this the biggest one ever!

Island Beach State Park Memories

by Jennifer Cole #5482

The smell of Island Beach State Park reminds me of my childhood having taken countless trips over the years. With varying attendance from family, friends, and friends that would become family. My Aunt Valerie and Uncle Mark Dzindzio would take me with their 3 children; Mark, Paul and Christine any chance they could. My Dad, Rick DiTizio along with Uncle Mark started going to IBSP in 1978. Dad would bring Mom and all 5 of us kids as much as he could. So many of my Uncles, Aunts and cousins would also go at times, even my grandparents made a few trips! "Big Bob" Ziegenfuss, a tall kind man would be there with his family and I will never forget his seaweed monster impressions, he would spend a lot of time and play with us kids. One thing was common for everyone in attendance, the love for Island Beach State Park. The joy of creating memories with loved ones and the thrill of catching fish! The camaraderie of sharing strategies and techniques, whispers of special fishing secrets and of course, the celebratory shouts after landing a beautiful fish.

As a small child, I thought these guys were all insane. The lengths that they would go to, to catch a fish just didn't make sense to me. Walking down to the Jetty all geared up during a hurricane and staying up all night. Wind so bad we were all worried they would be blown right off the Jetty. My brother may or may not have been wedged into a crevice in the rocks to keep him on the Jetty this night. All of this, just to catch a fish?

A couple years later it finally made sense to me. I caught my first fish, off the bulkhead in the back side of the Jetty. The tiny tugs on my line giving me an adrenaline rush, pulling up a Blowfish, my very own live fish! I tickled his belly gently and watched him puff up, then released him to grow bigger. All of us kids had a blast catching baby fish. I started to understand the draw of fishing.

Later in life, teaching my own son to fish was a joint venture. My dad, brothers and really the entire family would impart their knowledge and skills to the kids coming up. Passing the knowledge is an honor to all of us. Passing the love of a hobby that will bring you peace is instrumental in being truly happy. My son Preston has landed some pretty impressive fish, some almost as long as him in his younger years! I hope that fishing brings him just as much happiness as it has brought me in life. His first truck had to have four wheel drive so that he could take it on the beach.

It seems to me looking back now that the older I became, the bigger the fish were getting and the more I fell in love with the thrill of trying to land the next one. 2020 was a very humbling experience. It was about 11 at night and almost high tide. My pole went down with a HUGE HIT! I ran over and gave it a test yank. It was so heavy! I screamed over to my Dad; "DAD IT'S HUGE!!!" My drag screamed out for about 50 feet and then screeched to a halt. It had tightened up by itself. I was horrified at the weight I felt on the end of my pole. It was threatening to pull me right into the water. I planted my feet and bent my knees, and still almost got pulled straight up! I had to then sit down and try again. My dad told me to choke up on my pole as he was running over to help. I told him I couldn't possibly choke up more. It was everything I had just to hold on to my pole! My favorite pole, a 40 year old Lami that I had rebuilt. I was not letting go! I don't think he really believed me, until of course he tried to pull on my pole and it didn't budge. He said "Oh boy, ok then just hold on" I kept trying to loosen the drag on my Penn 850, to no avail. I would find out later the drag washer was bent and instead of having a smooth drag, it was tightening the harder the fish pulled. The struggle wasn't very long, but it was fierce. I have never been so scared and thrilled at the same time. I had never had a fish make me feel so tiny and insignificant. Eventually my braid snapped and I felt sad and honestly relieved at the same time. I will never know what was on my line that day, but I will never forget it.

Island Beach State Park has always brought me a special kind of peace that I have never been able to find anywhere else. The rustic looking Judge's Shack leaving its silhouette on the horizon as the sun nestles down behind it will always be one of my favorite views.

Editor's Corner

The NJBBA needs your help! We have three events coming up after the New Year: the Flea Market, the Annual Meeting and the Annual Banquet. First there is setting up and then the actually running of each event. If you can't find the time to lend a hand, please join us at the Annual Banquet. We are also looking for someone to step up and take over the membership secretary duties; Kenny has all the equipment and is willing to train someone.

We lost some more of our members this year and offer our sincere condolences to all the family members and friends. To name a few who passed: **John "Jack" Jacoby #729** was 72, loved surf fishing and driving on IBSP. He was 5 years older than me and I learned a lot from him, he was a very good fisherman! **Bill Comp-ton #53** joined the club in 1981, he was 83 years old and earned a 4 Star Jacket, a director and a Courtesy Patrol Coordinator. His CB handle was 'Top Shelf'. **Al Sutherland #81** was 70 years old, a long time member who served on the board, the courtesy Patrol and as an Editor of the Newsletter. He loved fishing IBSP and the Outer Banks and at one time a boat capsized in the breakers at Area 7 and Al went in the water to save the man. **Albert J. Procida #701** was 83 years old and a 50 year member. He had earned a 1 Star Jacket and his CB handle was "Stage Coach". As a Draftsman and Design Engineer in the service, he was instrumental in the systems to make planes capable of landing on an aircraft carrier at night. My good friend and Past president, Bob Lick wrote a story about Al and is on the next page. There were contributions made in Al's name to NJBBA: Ellen & Jim Fisher; Elaine & Jeffrey Dix and Dianne & David Platt. As a thank you for the donations, I placed a memorial in the Booster Club page in Al's name.

Doug Taylor ran a beach driving class on August 3, 2022, we had 42 Participants and they appreciated Doug with the meeting, Thank you Doug!

Kudos to Bob DeLeonard, the NJBBA received a \$100 dollar donation and in George Chant's own words; "This contribution is provided in recognition of the individual attention and instruction provided by Bob DeLeonard on June 30th. I very much appreciated the time we spent together"

Mark S. Dzindzio #207

The pictures below show how well our emergency fence project from November 21, 2021 is collecting sand and building up the dune

Have Fish Gear you no longer use just taking up room where your new stuff could go?

Call or drop a line to NJBBA and make it a donation to be sold to raise money for the Youth Fishing Day and Take the Vets Day.

All money made is put towards these events to cut the cost the NJBBA has to lay out.

Albert J. Procida

1939-2022

By Bob Lick, NJBBA #3

NJBBA and many others lost a friend with the passing Al Procida of Collingswood, NJ. Al was a long time NJBBA member and one of the real "Good Guys."

I think you might enjoy hearing of how I originally met Al. (Please remember I am relying on a very old and dusty memory, but I'll do my best.) It was about 1968 or so, and I was in my backyard in Collingswood, lying under my beach buggy, trying to fix something. I heard a voice say, "You must be a surf fisherman." I looked out from under my truck to see a pair of legs and feet. This might be alarming, to some, to have a stranger in their backyard, but this neighborhood has a public drive along the rear yards so it was common to have folks passing by. I rolled out from under the rig to be greeted by a large man who immediately introduced himself and claimed he lived just around the corner. Al told me he recently began surf fishing and bemoaned the fact he hadn't had success. I inquired where he was fishing and he responded Long Beach Island. I told him I had been catching fish fairly steadily at Island Beach. Al told me he'd love to fish there, but didn't have a buggy. I explained a buggy was sure a handy tool, but Island Beach had plenty of fishing opportunities for walk-on anglers. I elaborated that the entire northern section of Island Beach is a buggy free zone and provides some excellent angling. I detailed how to access this area via Two Bit Road or the maintenance building parking area. As Al departed it was obvious to me that he was grateful for the information I provided.

Now here's the good part...less than a week later my doorbell rang. At the door was Al with a broad grin and a brown envelope in his hand. As he entered the house he explained he took my advice and went to Island Beach, and fished the north end. He then pulls an 8x10 photo, suitable for framing, from the envelope to reveal a picture of himself holding a giant striper. My chin hit my chest when he told me it was 53 pounds (if memory serves me correctly). My knees buckled, so we took a seat and I heard the complete story. I learned perhaps I should take my own advice occasionally.

I was thrilled that I played a small part in Al's wonderful tale. Shortly, Al had a buggy and was a frequent visitor to Island Beach.

I hope Al remembers and guides me to a good spot in heaven. RIP Old Friend

In Loving Memory

Deepest condolences go out to the families of our members that we lost this year,

We lost good fishing people and friends, may they rest in Peace.

If there is a loss of a member or their family, or an illness please let me know.

Donations to NJBBA

Long time New Jersey Beach Buggy Member #1840, Lewis Creamer of Williamstown, NJ celebrated his 95th birthday on November 22nd. He spent the early years of his recreational surf fishing time casting at Brigantine and Corson's Inlet. Lewis decided to donate his fishing equipment to the NJBBA for the January 7th, 2023 Pete D'Alessio

Memorial Fishing Flea Market at Toms River South High School. He hopes the money raised selling his equipment will benefit the NJBBA Youth Fishing Tournament and the purchasers enjoy fishing as much as he has through the years.
